To The presidency of Rotary Club Noon Gun – Cape Town

On behalf of Ukhanyo Learners, educators, parents and the community of Masi. I want to thank you for what you have done for our school. The WCED is supplying us with school furniture but their furniture is very common, it easily brake. The furniture you have donated to the school is of a very good quality. Thank you for your hospitality. You could have chosen other schools to help with regard to the school furniture but you have seen our problem and rescue my school. I did not know that this is going to happen so soon. I know that you do not have money but the little money you have you have spent it with the learners of Ukhanyo.

Thank you for reaching out to the communities like Masiphumelele where there is high rate of unemployment. Each learner has a chair to sit on and a desk in front to write on. What a delight to have people who are prepared to listen to the problems of people like Ukhanyo. I do respect your organization because it has put my school on a pedestal. Germany knows about us right now because of Rotary Club. Our learners are so excited about the furniture so as their parents. We have told them all the good things that you are doing at Ukhanyo.

Many thanks to our donors from Germany: Schulverwaltungsamt Chemnitz Bueroland GmbH, Chemnitz Mr. Frank Hensel UBT Unternehmensberatung & -transfer. DRK Kreisverband Chemnitzer Umland e. V. Kuehne& Nagel, Mr. Rolf Kassebart Mr. Harry Bovensmann and Mr. Thomas Langer

Thank you once more

Regards

Phuthumile Michael Tyhali (Principal)
